Important details to know:

4. Please create a TEAM Name (Dayton VA historical names are encouraged!).
5. Please list TEAM Captain (name, contact # and email) and a back-up TEAM Captain.
6. The TEAM 150 Walking Challenge final results will be based on the total miles walked by TEAM divided by the number of Team members. (Total miles walked by TEAM of 5 people 500 miles divided by 5 people = 100 miles per person.) The winners of the TEAM 150 Walking Challenge will be based on the average number of miles walked by each TEAM. (Final results are not based on total miles walked by the TEAM, this allows all sizes of TEAMS the ability to fairly compete).
